- **Service Providers.** We may disclose the information we collect from you to third party vendors, service providers, contractors or agents that perform functions on our behalf.
- **Business Transfers.** If we are acquired by or merged with another entity, if substantially all of our assets are transferred to another entity, or as part of a bankruptcy proceeding, or other business transfer, we may...
transfer the information we have collected from you to the other entity.

**Our Use of Cookies and Other Tracking Mechanisms**

**Cookies.** We use cookies and other tracking mechanisms to track information about your use of our Site or Services. We may combine this information with other personal information we collect from you. Cookies are alphanumeric identifiers that we transfer to your computer’s hard drive through your web browser for record-keeping purposes. Some cookies allow us to make it easier for you to navigate our Site and Services, while others are used to enable a faster log-in process or to allow us to track your activities at our Site and Service. There are two types of cookies: session and persistent cookies.

- **Session Cookies.** Session cookies exist only during an online session. They disappear from your computer when you close your browser or turn off your computer. We use session cookies to allow our systems to uniquely identify you during a session or while you are logged into the Site. This allows us to process your online transactions and requests and verify your identity, after you have logged in, as you move through our Site.

- **Persistent Cookies.** Persistent cookies remain on your computer after you have closed your browser or turned off your computer. We use persistent cookies to track aggregate and statistical information about user activity.

**Disabling Cookies.** Most web browsers automatically accept cookies, but if you prefer, you can edit your browser options to block them in the future. The Help portion of the toolbar on most browsers will tell you how to prevent your computer from accepting new cookies, how to have the browser notify you when you receive a new cookie, or how to disable cookies altogether. Visitors to our Site who disable cookies will be able to browse certain areas of the Site, but some features may not function.

**Clear GIFs, pixel tags and other technologies.** Clear GIFs are tiny graphics with a unique identifier, similar in function to cookies. In contrast to cookies, which are stored on your computer’s hard drive, clear GIFs are embedded invisibly on web pages. We may use clear GIFs (a.k.a. web beacons, web bugs or pixel tags), in connection with our Site to, among other things, track the activities of Site visitors, help us manage content, and compile statistics about Site usage. We and our third party service providers also use clear GIFs in HTML e-mails to our customers, to help us track e-mail response rates, identify when our e-mails are viewed, and track whether our e-mails are forwarded.

**Third Party Analytics and Tracking**

We use automated devices and applications, such as Google Analytics, to evaluate usage of our Site and our Services. We use these tools to help us improve our Services, performance and user experiences. These entities may use cookies and other tracking technologies to perform their services. We do not share your personal information with these third parties. We will honor browser requests not to be tracked on our Sites.

**Third-Party Links**

Our Site and Services may contain links to third-party websites. Any access to and use of such linked websites is not governed by this Policy, but instead is governed by the privacy policies of those third party websites. We are not responsible for the information practices of such third party websites.

**Security of My Personal Information**
We have implemented commercially reasonable precautions to protect the information we collect from loss, misuse, and unauthorized access, disclosure, alteration, and destruction. Please be aware that despite our best efforts, no data security measures can guarantee 100% security.

You should take steps to protect against unauthorized access to your password, phone, and computer by, among other things, signing off after using a shared computer, choosing a robust password that nobody else knows or can easily guess, and keeping your log-in and password private. We are not responsible for any lost, stolen, or compromised passwords or for any activity on your account via unauthorized password activity.

**Access To My Personal Information**

You may modify personal information that you have submitted by logging into your account and updating your profile information. Please note that copies of information that you have updated, modified or deleted may remain viewable in cached and archived pages of the Site for a period of time.

**What Choices Do I Have Regarding Use of My Personal Information?**

We may send periodic promotional emails to you. You may opt-out of such communications by following the opt-out instructions contained in the e-mail. Please note that it may take up to thirty (30) business days for us to process opt-out requests. If you opt-out of receiving promotional emails from us, we may still send you e-mails about your account or any Services you have requested or received from us.

**Children Under 13**

Our Services are not designed for children under 13. If we discover that a child under 13 has provided us with personal information, we will delete such information from our systems.

**Contact Us**

If you have questions about the privacy aspects of our Services or would like to make a complaint, please contact us at info@blessusa.org.
